

Information note to the Press

(Press Release No. 43 /2018)

For Immediate Release

Telecom Regulatory Authority of India

Subject: Tariffs of various Telecom Service Providers made available on TRAI website/portal

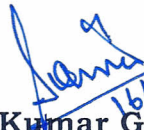

New Delhi, **16th April, 2018**: As per TRAI act 1997, transparency is an important mandate of TRAI. Presently, Telecom Service Providers (TSPs) offer tariffs at their websites. To enable consumers to see tariffs of different TSPs and different Licensed Service Areas (LSAs) at a single place, a beta version of portal namely **www.tariff.trai.gov.in** has been released by TRAI today.

For easy access, various tariff plans and other tariff instruments are provided at TRAI website in downloadable format. This platform would not only benefit the consumers but also help other stakeholders to do a comparative analysis.

To get initial feedback on the look and feel of this portal from consumers, beta version of tariff data for Delhi LSA is also made available on TRAI website www.trai.gov.in. The details made available on website/portal are as reported by the TSPs of Delhi LSA.

Consumers and stakeholders are requested to provide feedback by clicking "Feedback" option available in consumer view on TRAI website.

For any further information **Shri Sanjeev Banzal**, Advisor (IT&CA), TRAI may be contacted at telephone No.-**011-23210990** or at email-id **advisorit@traigov.in**.
