Subject: Opinion on TRAI proposal of Rs 130 Monthly Rental for 100 TV Channels.

To: pradvbcs@traigov.in, vk.agarwal@traigov.in

Hello, TRAI,

thank you for the proposal.

it is a really good proposal, so, it is good that we can now enjoy the 100 TV channels for just Rs. 130 monthly rental, which is cheaper than now the cable operators are charging which stood at some places as Rs 300/- & Rs 200/- in some parts of the areas in Hyderabad, Telangana.

please make sure that the cable operators stick to the norms and make a necessary provision of giving them jail sentence and fine or cancelling of license of the cable operators if they don't follow your rules.

make a mix bag, but add all the sports channels, make all the doordarshan channels compulsory, some devotional channels without any bias for any religion, and entertainment and news channels.

thanking you,

yours faithful Indian.

Hyderabad.
