Subject – IUC charge discontinuation.

We would like to request you to kindly review IUC charges guidelines as this has created confusion on calling part and called party as we don't know on which operators we are calling.

When we talk we don't see that which operator we are calling and will had to pay unjustified amount because of IUC.

I personally very much worried with this increased amount of Mobile call where we had freedom.

We request you to kindly discontinue IUC charges immldy so that normal customer cannot be impacted.
