For Immediate release

Telecom Regulatory Authority of India

TRAI Releases Recommendations on 'Allocation of Spectrum Resources for Residential and Enterprise Intra-telecommunication Requirements/ Cordless Telecommunications System (CTS)'

New Delhi, 12th October, 2012- The Telecom Regulatory Authority of India (TRAI) has today issued its recommendations on the **"Allocation of Spectrum Resources for Residential and Enterprise Intra-telecommunication Requirements/ Cordless Telecommunications System (CTS)"**.

On 19th February 2010, TRAI issued a "Request for Comments" on its website for seeking the comments of various stakeholders on the issue of allocations of spectrum for Cordless Technologies to meet the Residential and Enterprise Intra-Telecommunication Requirements.

Based on the comments received and the International practices in various countries in respect of cordless residential & enterprise solution, consultation paper on "Allocation of Spectrum Resources for Residential and Enterprise Intra-telecommunication Requirements/ Cordless Telecommunications System (CTS)" was issued on 26th December 2011. The comments and counter comments received from the stakeholders were placed on TRAI's website www.trai.gov.in.

An Open House Discussion was conducted on 10th July 2012. Based on the comments of the stakeholders, examination of the various issues involved and the international practices, the Authority has finalised its recommendations on "Allocation of Spectrum Resources for Residential and Enterprise Intra-telecommunication Requirements/ Cordless Telecommunications System (CTS)". The recommendations are available on TRAI's website www.trai.gov.in.

For any clarification/ information, Shri Sudhir Gupta, Pr. Advisor (NSL), TRAI, may be contacted at Telephone No. +91-11-23220018 Fax No. +91-11-23212014 or email at pradvmn@trai.gov.in.

(Sudhir Gupta)
Secretary (I/c), TRAI
