

भारतीय दूरसंचार विनियामक प्राधिकरण
Telecom Regulatory Authority of India

[भारत सरकार / Government of India]

फ. सं. RP-3/3/(2)/2025-BBPA

दिनांक: 21-08-2025

To

All ISPs/UL(ISP)/UL (ISP-VNO)

Subject: Revision of input data formats of the Monthly Internet subscription data and Data Usage Report (Wireless & Wireline).

Some service providers have informed that telecom services are being provided using Unlicensed Band Radio (UBR) as access to customers. At present, there is no provision for capturing such subscriptions and the associated data usage in the existing input formats.

2. The Authority has decided to revise the input data formats for the **Monthly Internet Subscription Report** and **Data Usage Report (Wireline and Wireless)**, with effect from the reporting month of **August 2025 onwards**. In the revised formats, distinct columns have been introduced under the Wireless category to capture subscription and data usage separately for Unlicensed Band (FWA on UBR such as UBR, point-to-point, point-to-multipoint) and Licensed Bands (such as FWA-5G).

3. Service Providers are hereby directed to **submit the aforesaid reports for August 2025 onwards, starting from September 2025**. The revised report/input formats are enclosed herewith for reference and will also be available for download on the PMR portal w.e.f. 01st September 2025. The due date for submission of these reports shall be the 15th day of the succeeding month.

This is issued with the approval of the Competent Authority, and compliance is accordingly solicited. .

Encls. As above
