Information note to the Press (Press Release No. 19 /2018)

Telecom Regulatory Authority of India

TRAI to conduct Independent Drive test (IDT) in Delhi Service Area

New Delhi 8th February 2018: Telecom Regulatory Authority of India (TRAI) is regularly monitoring the performance of Telecom Service Providers (TSPs) against the prescribed benchmarks for the various Quality of Service (QoS) parameters laid down by the Authority.

For the period July 2017 to June 2018, TRAI has a plan to conduct Independent Drive Tests (IDTs) in 70 cities. Most of these cities are having population of more than 10 lakhs. All State capitals and satellite towns of metro towns have been included in this plan irrespective of population of the city. So far, IDTs have been conducted in more than 33 cities. IDT Reports of 16 of these cities have already been published and are available at www.analytics.trai.gov.in. IDTs reports for the remaining 17 cities will be published shortly. The details of all cities, which are planned for IDTs are available at annexure "A".

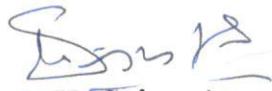

2. In addition to the above 70 cities, IDTs are also planned to be conducted along national highways and railway routes (in-train). So far 6 Highways and 5 Railway routes have been covered; the details are available as at annexure "B". IDTs normally comprise duration of 3 to 8 days (2 to 6 days of Voice test and 1 to 2 days of Data test). Followings Key Performance Indicators (KPIs) are measured during IDT:-

(a) For Voice Service: Network Coverage, Call Setup Success Rate; Drop Call Rate; Block Call Rate, Handover Success Rate and Rx Quality.

(b) For Data Service: Download & Upload Throughputs, Web Browsing Delay, Video Streaming Delay and Latency.

3. In the series of IDTs planned, TRAI will start Independent Drive Test (IDT) in Delhi Service Area, including Ghaziabad, Noida, Gurugram and Faridabad cities starting mid of February and likely to be completed by mid March. This IDT will be conducted for about 18 days covering networks of all TSPs offering cellular services in Delhi service area and will measure Key Performance Indicators (KPIs) for Voice and data services.

4. For any clarification & suggestion in respect of the above IDT activities, Shri Asit Kadayan, Advisor (QoS) may be contacted at Tel. No. +91-11-2323-0404 or at email id: advqos@traigov.in.
