Dear Sir / Madam,

This is regarding comments / suggestions desired on the Consultation Paper on Distribution of TV Channels from Broadcasters to Platform Operators.

We are running few networks in Rajasthan and due to the Monopoly of Broadcasters, it is not possible for us to survive in cable business. Due to consolidation of Pay Channels distribution, distribution companies (like MediaPro, I-Cast and MSMD) are blackmailing us for unwanted growth.

In case we will not sign the agreements, they are forcing us through regular full screen OSD instead of settling the issues on table. Also we are not even able to get the desired money from the market.

We request the Hon'ble TRAI to please look into the monopolistic approach of Broadcaster's distribution companies. We suggest that these Distribution companies needs to be separated out as was earlier.

Wishing for an favourable action.

Thanks & Regards,

***Govind Joshi***
