Subject : Kind request for review of IUC Charges.

Respected Sir,

We wish to bring to your kind notice that we , as a society are concerned about the future of IUC Charges and fear that any charge in TRAL'S stand over the same may increase the costs of voice calls by operators.

It would be our humble request to consider the same while taking a call on the same.

We are sure that the operators who have charged substantially high rates for decades will not be Permitted to bore holes in our pockets though terrify manoeuvres in their backyards, effects of which will rise the telecom mobility costs.

Thanking you

Yours Truly,
For Sindhi Council of India
