Dear sir

" I am a small mso 500total box running in my network so possible in celander year I Request Sir please aduit not mandatory less then 1000 sub base and 500-1000 sub base audit required 1time in 3years

1. trai audit not economically

2. Discount price in Rural area's provide by broadcaster

3. DD free Dish not running in unencrypted mode please Rural area's business damage and all cable operators business damage

4. pay channel currently running on FTA mode and unencrypted mode on DD free Dish please Regulate it's

5. Pay content costly provide on cable TV by broadcaster but same parallel content easy and free available on internet please Regulate it's
