

## Profile of Faisal Hamdi Mohammed Ghouth

---

Started his career as System Administrator in Malaysian Communications and Multimedia Commission (MCMC) in July 2000 to manage and administer the Information Systems in MCMC until 2003. He then transferred to Central Regional Office (CRO) as Assistant Director to represent MCMC in state of Selangor, Kuala Lumpur and Negeri Sembilan.

During his tenure in CRO, he acquired extensive experience with the local authorities, telecommunication operators, broadcasters, State Assemblymen, Member of Parliaments, Non-Government Organisation and general public.

He was subsequently, transferred to Head Office in 20014 until present as the Deputy Director in Digital Creation and Distribution Platform Department.

He has been instrumental to ensure the success of digital switchover in Malaysia wherein his major roles include in assisting the development of framework and policies focussing in Help Scheme, Education, and Awareness Program to migrate analogue free to air television broadcasting to digital television for the National Digitalisation Broadcasting Project.
